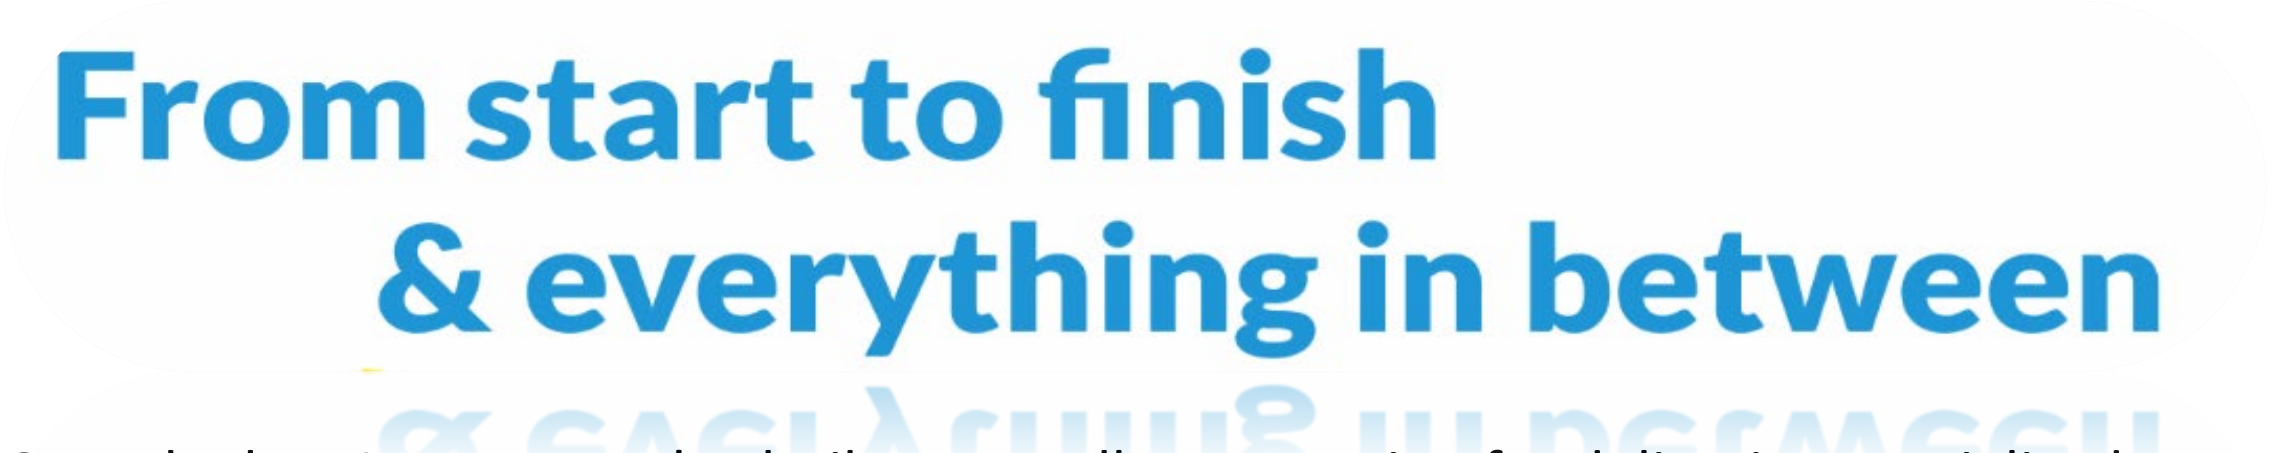
ABOUT US

FTS Lifecare
a Fabtech Group Company

- FTS Lifecare - UAE, offers start-to-finish (turnkey) engineering solutions to the healthcare sector in the Middle-East and Africa, with a particular focus on clean environments including operating theatres, intensive care units and recovery care units.



- Over the last 17 years, we've built up a stellar reputation for delivering specialized start to finish (turnkey) solutions for Pharmaceutical, Biotechnology and Healthcare companies all over the globe. With over 700 projects in 53 countries, we are a powerhouse of life engineering.
